Save the Date – Come Celebrate!!!

How Battle of the Books Works

Students compete in teams of five led by an adult coach. They read a variety of books chosen by librarians, and then answer questions about the books in a competition against other local teams. The top three teams from each library go on to compete against the teams from their "rival" libraries. The team with the most correct answers becomes the 2019 Battle of the Books Champion! Complete rules are available at your library.
